Manufacturing Prowess

VOLTAS
A TATA Enterprise

Focus Areas

- Backward integration of Room Air Conditioners
- Localisation of supply chain efficiencies

Pantnagar Plant

- 1.5 million units Room Air Conditioners
- 0.5 million units Commercial Refrigerators

Waghodia Plant

- 0.5 million tonnage Commercial Air Conditioners
- 0.78 million units Commercial Refrigerators

Manufacturing Prowess

VOLTAS
A TATA Enterprise

Chennai Plant

- 2 million units Room Air Conditioners

Sanand Plant (Voltbek)

- 1.6 million units Household Appliances

Growth Drivers

Steady Rise in Temperature Levels Fueling Demand

Inclination Towards Organised Retail

Energy-Efficient Consumer Behaviour

Embedded Technology

Government Support

Business Segment Overview

Unitary Product Business Group

VOLTAS
A TATA Enterprise

Highlights

- Achieved the fastest sales of 1 Mn ACs in a quarter and maintained the top market position with 21.2% market share in July'24
- Recorded 67% YoY volume growth in Q1 FY. 65% growth in Split ACs
- Began commercial operations of Room Air Conditioners at Chennai
- Commercial Refrigeration products and led to a growth higher than the industry helping us retain our market leadership position in Freezers, Water Coolers and Water dispenser categories
- Began commercial operations of Water Dispenser plant at Waghodia in June'24
- Air Coolers grew 170%, becoming the No. 2 brand with a 10.50% market share
- Consumer finance schemes boosted sales; UPBG margins improved through value engineering and cost-saving
- Launched new products in Cold Room and Medical Refrigeration. New RAC and Water Dispenser plants began operations to meet increasing market demand

Our Offerings

- Room Air Conditioners (RAC)
- Air Coolers
- Air Purifiers
- Water Heaters
- Water Dispensers
- Water Coolers
- Visi Coolers
- Chest Freezers
- Cold Rooms & Medical Refrigeration

Commercial Air Conditioning

VOLTAS
A TATA Enterprise

Highlights

- The Commercial Air Conditioning vertical's performance remained steady during the quarter
- All products drove both the top line and bottom line for the quarter
- Margins mix from retrofit jobs which moderated overall EBIT performance for the quarter, expected to improve in subsequent quarters
- Success in tenders involving VRF and Screw Chillers ensured brand acceptance and strong future performance

Our Offerings

- Ducted AC
- Variable Refrigerant Flow (VRF)
- Cassette AC
- Tower AC
- Chillers

Highlights

- Improved product mix and gross margin contributed to better overall margins
- Enhanced business performance in all categories of the products
- Continued to reduce losses per unit, moving closer to EBITDA break-even
- Prioritised localization both Washing Machines and Refrigerators either through factory or Local OEMs
- Achieved 52% volume growth, supported by Voltas' brand strength and Arçelik's technical expertise
- Gained acceptance across E-Commerce, Omni Channel, Regional Retail, and Modern Trade
- Secured a top three position in Semi-Automatic Washing Machines with a 14.5% market share and 8.1% in the overall Washing Machine category YTD June 2024
- Recorded over 50% growth in the Refrigerator segment, achieving a 5.2% market share YTD June 2024

Our Offerings

- Refrigerators
- Washing Machines
- Microwaves
- Dishwashers

Infrastructure Solutions

VOLTAS
A TATA Enterprise

Highlights

- Booked orders worth Rs. 331 crores during the quarter and order book as of June 30, 2024, stood at Rs. 4,769 crores
- Improved performance was recorded in running projects due to the release of procurement contingencies
- Focused project reviews, enhanced governance, and better working capital management contributed to robust business performance
- Increased order bookings are expected in the latter half of the year

Our Offerings

- Mechanical, Electrical & Plumbing (MEP)
- Heating, Ventilation & Air Conditioning (HVAC)
- Water Infrastructure
- Electrical & Solar Projects
- Operations & Maintenance

International Operations Business Group

VOLTAS
A TATA Enterprise

Highlights

- Orders of Rs. 46 crores were booked this quarter, with the order book at Rs. 2,734 crores as of June 30, 2024
- Margins were positive, driven by projects in Saudi Arabia and the UAE, with strong EBIT from effective execution and cost management
- Arbitration awards for two FY 2022–23 projects were received, but proceeds may be delayed
- The overall segment order book is Rs. 7,503 crores, with carry-forward orders at Rs. 2,734 crores

Our Offerings

- Mechanical, Electrical & Plumbing (MEP)
- Heating, Ventilation & Air Conditioning (HVAC)
- Water Management
- Landscaping & Irrigation
- Rooftop Solar

Textile Machinery Division (TMD)

VOLTAS
A TATA Enterprise

Highlights

- After-sales and post-spinning business performed well, despite challenges in the textile sector
- Export declines in cotton yarn and textiles led to lower spinning mill utilisation
- Capital machinery purchases by customers were on hold due to reduced margins and tight liquidity, impacting our gross margins

Our Offerings

- Capital Machinery
- Accessories
- Allied Machinery
- After-sales Services

Mining and Construction Equipment (M&CE)

VOLTAS
A TATA Enterprise

Highlights

- An overall growth in turnover compared to the previous year was recorded, largely due to increased contributions from crushing and screening equipment
- Extensions of marquee contracts were secured, and additional projects were added in both Mozambique and India
- Positive top-line growth was achieved, supported by ongoing O&M jobs and Powerscreen machine sales

Our Offerings

- Operations & Maintenance
- Crushing & Screening Machinery
